

Garden Improvement Grant Program

Sponsored by Lafayette Friends Of The Garden (LFROG)

Application deadline is July 31 2024

Garden Improvement Grants are \$500 each. The number of grants available depends on the proceeds from the annual Lafayette Old Town Garden Tour. For 2024, we have six grants available.

To apply, send this completed form to the following email address:

l f r o g 8 0 0 2 6 @ g m a i l . c o m (remove spaces first!)

Eligibility:

- Property must be located in Lafayette, Colorado. Residents, business owners, and tenants are may apply. Work may be performed by the applicant or contractors.
- Your project must be water-wise. Beyond that, be creative! Work may include landscape plantings, vegetable beds, paths and other hardscape, removal / repair of existing landscaping, and...?
- Completed work must generally conform to the work described in this application.
- Projects need not be visible from the street.
- Projects must be completed by December 31, 2024. Funds are distributed upon project completion.
- At least two “Before” photos are required with this application, and at least two “After” photos are required to receive funds upon project completion. Note we may use before and after photos for publicity on our website, however your name and address will not be listed online. Receipts are not required.
- Please send questions to the above email address.
