

Garden Improvement Grant Program

Sponsored by Lafayette Friends Of The Garden (LFROG)

Application period is June 1 through July 31 2023.

Garden Improvement Grants are a maximum of \$500 each. The number of grants available depends on the proceeds from the annual Lafayette Old Town Garden Tour.

To apply, send this completed form to the following email address:

l f r o g 8 0 0 2 6 @ g m a i l . c o m (remove spaces first!)

Eligibility:

- Must reside in Lafayette, Colorado.
- Completed work must generally conform to the work the applicant describes in this application.
- Your project must be water-wise. Beyond that, be creative! Work may include landscape plantings, vegetable beds, hardscape, removal / repair of existing landscaping, and...?
- Projects need not be visible from the street.
- Property owners or tenants may apply. Work may be performed by the applicant or contractors.
- Projects must be completed by May 31, 2024. Funds are distributed upon project completion.
- At least two “Before” photos are required with this application, and at least two “After” photos are required to receive funds upon project completion. Note we may use before and after photos for publicity on our website, however your name and address will not be listed online. Receipts are not required.
- Please send questions to the above email address.
